

Corene Ann McGovern

January 18, 1963 - August 1, 2020

Rye Beach - Corene Ann McGovern, 57, of Rye Beach, was found deceased Saturday, August 1, 2020 in her home of apparent suicide. Born in St. Petersburg, Florida, on January 18, 1963, she was the daughter of Linda (Conway) McGovern Connell and the late Gerald Joseph McGovern. She is survived by her mother, Linda Connell and her husband, Lawrence, of Rye Beach, her sister, Gail (McGovern) Gulotta and her husband, Geno, of Asheville, North Carolina, her nephews Ri and Keelan Gulotta, her step-sisters, Elizabeth (Connell) Nielsen and her husband, Devan, of Novato, California, and Rachel Avery Connell of Portsmouth, her nephews, Sasha and Matthew McEldowney and Powell Nielsen, and her niece Ava Nielsen.

Corene attended Hollis High School and Lawrence Academy in Groton, MA, Pennsylvania State University and was a graduate of University of New Hampshire. She was a successful realtor with Norwood Realty of Amherst. She relocated to Aspen, Colorado where she founded the Mittel Europa Company, a successful antique business she owned and operated for over 20 years. Corene started the company with her mother who was living in Budapest, Hungary, that turned into a highly successful staging company for new home construction in the Aspen area. Her entrepreneurial spirit, realty knowledge, work ethic, love of fine art, talent for interior design and access to antiques from Central Europe drove the company. She was a popular member of the Aspen community known for her generosity of spirit, innate curiosity and

faithful friendship.

She returned to New Hampshire in 2015 entering real estate development on the seacoast. In recent months she planned to relocate to Asheville, North Carolina, to join her sister in business ventures, though COVID-19 stalled these efforts.

Corene was a lifelong traveler, starting with memorable adventures with her beloved sister, Gail, that included living in a kibbutz and swimming with sharks. From Bali to Budapest to Buenos Aires, Corene filled her life with new experiences and new people. Through her passion for fine art and architecture she acquired a vast knowledge with her own impeccable sense of style. Known for her generosity, she was a great friend to so many around the world, never losing touch with people. She was a loving sister, daughter, and aunt. Her terms of endearment for loved ones warmed your day. Be at peace, "Sweetpea".

“ *Last year Corene and I met with the Lovering Health Center. It turned out they no longer had any outside furniture that clients and staff could use on the garden patio . Corene secured four chairs which she delivered and then bought a small table for them to use. She also helped get a donation for their fund raising auction.*

We had many conversations with her about art and architecture in CA and NH. I have a cute picture of her in CA with a latte showing latte art, but couldn't figure out to share it here. We miss "Sweetie" as she called us and others. Sue and Bob Thoresen

“ *I too lost my daughter Kelly at 39 to suicide, and my heart breaks for you. I know the pain and suffering, and the questions we ask ourselves was there something I missed. I don't know your beautiful daughter, but unfortunately I know your pain all to well. I will lift your family up in prayer, and ask God to give you His Peace*

“ *Corene left us suddenly and too soon. You are left with questions, few answers and many tears. Corene accomplished much, traveled widely and made many friends. She created memories. We hope and pray that in time those memories will erase tears and bring smiles as you remember her and the joy and friendship she brought others and the love she had for you all. We send our sincere sympathies.*
