“ *Dad...*

*You're weighing heavy on my heart tonight. I miss you so much it hurts. I miss you and Barbara so much. We should all be in Florida right now. I'm going to miss going to Florida this year and the years to come. We made so many great memories....they were our memories. We laughed, we cried, we stressed but the most important thing is we made the best of the situations. I love and miss you so much. Till we meet again Fasha
I LOVE YOU*
