“ *Cindy knew how to light up a room, with her inevitable butt pinches, her insatiable laugh and the way she could flow through a room effortlessly putting a smile on everyones faces. We all know she is doing the same where she is now, but we should continue to look for the signs she leaves with us today. Sending so much love and light to everyone - this ray of sunshine will be missed but not forgotten.*

Cindy and I worked together at the Wentworth Golf course way back in the mid 70's. She fit right in with my wry sense of humor and we had many many laughs. And many not so nice comments about the clientele, especially those annoying hotel guests. I remember when Paul was born and what a doll he was.

I also knew her sister Debbie from the days of Ladds and her brother in law Jimmy. Good local family and sorry to keep losing them. Condolences to all. She was special.
