“ I would like to send my condolences to all the family for their loss of Noni. Noni was a wonderful, caring, loving, person. I have many fond memories of Noni. She welcomed me in the family when I became her daughter-in-law. She thought me how to drive, she was always there for my 2 daughters, nicole and kayla. They loved their grandmother to pieces. I will treasure the good times I shared with noni and the family. Noni will be missed deeply. RIP Noni. Fly high. 🙏

“ Oh Noni what are we going to do without your no muss no fuss guidance? Not since my own mother died did any parent I know just get to the heart of it.

*I always knew we could count on you. The best food the best times at Janice's were always with you at the helm. I know there are many in our circle that were so happy to have someone, some adult embrace them for being just who they are. My daughter and how you treated her will never be forgotten. This woman and her child miss you already.*
