“ I was blessed to know Desi. He was the most generous fun loving person I have ever met.
When I was going through the most difficult time of my life he was right there. Texting me and trying to keep my spirits up. I will never forget him and may god bless him and his family.

Desi brought this Community together in some of the toughest times and worst times, yet he always managed to bring light and laughter to all of us. His kindness and spirit were contagious and no problem was ever too small. If there was an event or someone in need Desi was there to help. I am heartbroken but I know that God needed him more than any of us did and I am sure he will be spreading all that cheer up in Heaven. To the Lanio family, my sincere condolences to you family! Desi was one heck of a guy and the entire Community will be lost without him in it!

Russell

So many times as I walked in the door of the 401 Dan would shout, "Anne Russell sold my mom and dad their house on Mill Road!" (Actually he was in the service when they moved here so I didn't meet him until he bought the 401). A delightful family full of love and merriment! Such a giving spirit to the community he loved! Rest in peace, Dan!

I was at Le Bec with a friend years ago and introduced him to Desi. We were talking Baseball and Football for hours. Desi was a sports history encyclopedia. The conversation went to the Old Boston Patriots of the AFL. My buddy made a point of how the Great Gino Cappelletti was one of his favorite players from those years. Desi disappeared for about 10 minutes and came back with an "Authentic" Gino Cappelletti game jersey to show us. My buddy went to hand it back to him and Desi said "No, That's Yours" I'm sure there are hundreds of stories like this from over the years of Desi generosity. He touched many lives across New England not just Hampton. RIP Desi
