“ While I haven't seen Danny in a while, I thought of him often and my heart dropped when I heard the sad news. Danny, Greg (Dollarhide), and I were inseparable for a long period of time; always competing with each other at one thing or another, especially cribbage, golf and chess. Danny was a great friend, who always had a warm, happy, smile on his face. He will be missed by all who knew him. Our hearts go out to Kathy, their children, and Danny's family and friends.

“ I have sadness and a sense of loss as I say goodbye to Danny in his earthly form. Danny is a good man ... a husband, a father, a son, a brother, an employer, a friend ... he loved life and loved to laugh while still maintaining his hard work ethic. I say "is a good man" because I believe his spirit lives on in a realm we don't fully understand ... and I believe we will all be with him again. I send my heartfelt condolences to Kathy and all of Danny's family ... and also to the Jittos' family. Danny will live on here on earth in our hearts and minds and through the love we have all shared with him ...RIP Danny, until we meet again. xoxox

“ While I did not know Mr. Nadeau personally, as someone who works next door at that big glass building, I surely appreciate and continue to appreciate the restaurant and the great place he helped make.

Yesterday I had a Steak Tip sub and we noticed the staff was sad, obvious given the circumstances. That they stayed open to assist hungry customers through this difficult time was probably what Mr. Nadeau would have wanted.

My heartfelt condolences to the family and thank you for the wonderful restaurant you helped to create.

“ Danny loved life but he loved his family even more. It was obvious Kathy, Mandy, Erica and Dan were everything to him. He'd do anything for you four. He had such an infectious smile. I can't picture him in my mind not smiling. I always loved hearing you all were able to attend the family reunions. Whether it was playing golf with Danny, or watching him not miss one word in singing 'Black Betty' during the traditional karaoke time, he always had a smile on his face.

Please know as he always did, he will always watch over you four, he will always be with you.

We love you all. Thinking of you all during this difficult time.

Love,
Mike, Autumn, Nolan and Hadley

“ Kathy, I am at a loss for words. Danny was one of the most upbeat and kind people. He had a way of always making someone feel welcome. I enjoyed working for you both. I will miss walking into the sub shop and him saying, "What's happening Gen with an A?" He was taken too soon. For 50 years he lived a happy life. I called my sister Erica who used to babysit for you and she said how you are such a nice family and she would be praying for you all during this difficult time. I saw him this summer with your son as they were venturing out on Saturday morning to catch the yard sales. I have been so blessed to know him. Prayers. RIP Dany.

“ I met Dan over 15 years ago in a cellar in Portsmouth playing cards. We fast became friends and spent time playing cards at my Lobster Pound and a friends house. We made several trips to the casino. As much as we loved the thrill of holdem, our passion was golf. The last two years we played at least 125 rounds of golf. He was MY PARTNER in this foursome. Some days he carried me and vice versa, but the competitive nature of our matches Vs our good friends Jeff and Mike were epic. We all owned or managed restaurants and this was our outlet during the summer. I still can't believe he won't be on the tee box this spring. It won't be the same with out him. He was a loving, caring husband and father mentioning his family often while playing. My heartfelt thoughts and prayers to his wife Kathy and children. Dan I just want you to know I will bring your clubs when I join you some day, cause I know you forgot them!!!
Please save a spot for me at your poker table and your foursome my friend!! Hit them straight PARTNER!!!

“ I'll always remember Danny with a smile on his face he was always a happy guy. One of my fondness memories of Danny is when Jitto's had their annual Halloween party and he came as a blind man with sunglasses, a cane and he had a real dog for his seeing eye dog! My heart goes out to Kathy, his children, family and all his extended family of friends. We will all miss him dearly.
