

Danny Curtis Rogers

June 7, 1949 - January 8, 2024

Hampton - Danny Curtis Rogers 74, of Hampton, NH, passed away unexpectedly on January 8th, at home after a brief illness. Our hearts are broken.

Danny was born June 7, 1949 at the Hale Hospital in Haverhill, MA, the eldest child of Melvin & Barbara Rogers (Bailey). He graduated from Newburyport High School and went immediately to work at Towle Silversmith. While in high school, he met the love of his life and future wife Kathleen Doyle. Danny and Kathy settled in Amesbury and started their family.

That first year working at Towle, Danny saw an opening at Old Newbury Crafters and applied. Swift Barnes liked what he saw in Danny and gave him the opportunity of a lifetime, a 50+ year career as a silversmith. While forging silver into utensils, jewelry and other creative and useful items, great friendships were formed, like that of Bob Lapham. Danny retired in 2020.

Danny loved the beach, fishing off Plum Island and kayaking in Hampton. He loved camping in the White Mountains and he loved football. A true New England Patriots fan to the end, but nothing was more important than family. Danny and Kathy's home was the gathering place every holiday and special event, especially Christmas Eve.

Danny was predeceased by his father, Melvin and brother Mickey.

He is survived by his mother, Barbara, his wife Kathy and their three children. Scott (wife Janet) of Fredericksburg, VA, Hollie of Hampton, NH and Danielle (Fiancé Ken) of Newton, NH. His Brother Eric (wife Mai), sister Nancy (husband Kevin) Reed and brother Thomas. Four Grandchildren, Amber, Ashley, Savannah, & Jacob. Five Great Grandchildren, Christopher, Aaliyah, Zoey Josiah & Mina. Several nieces, nephews and extended family.

In Danny's honor, watch some football, enjoy a cold beer and most importantly hold your loved ones close.

A celebration of life is being planned for this summer.

“ So sorry for your loss. It just doesn't make sense to me. I have so many memories of my childhood growing up with Danny and all the different experiences we had together until we were in our 20's and then I got married and pretty much lost touch after that. I remember all the fun we had when I lived with the family for over a year when I was six. After that we still hung out as much as possible until my life changed Once again so sorry for your loss. I have so many memories.

“ Love you Grandpa. I miss you so much. Thank you for all the childhood memories-including all the donuts from Richdales when I was a kid! And for the comfort and life advice when I got older. Wish we had more time. ❤️
