“ Dear Celeste,  
I was so saddened to hear of the loss of your husband while we were all in Nova Scotia. Our hearts ached for you! May God bless you and your family members as you grieve for your husband, but know in your heart that you are supported in spirit and thoughts by all your bowling friends near and far from you at this time. David is on a new journey now and someday you will be with him again! May God and your Guardian Angel protect and guide you the rest of your days!  
You will be in my prayers.

“ Celeste, we are so sorry that we can't be there for you right now. We will miss Uncy Dave. We will always have fond memories of him chasing Michael around so make sure that he was safe! Which really meant that Michael was just given Uncy Dave a workout.
