“ Dear Marcia, Please know my thoughts and prayers are with you and your family. Losing a loved one makes living harder but having known him and been in his life has enriched yours and your memories of the good times will fill in when times are difficult.

I wish you courage and peace in the days ahead.

“ Dear Marcia & family,
Our hearts are broken along with with all of yours. Dave was such a wonderful and caring person and we know just how very much he will be missed. Marcia, although we know there are no words of comfort at this time, we hope you can cherish the memories and the love that you both shared to give you strength. Dave would definitely want you to smile again and continue to be the " happy" person he loved so much. It was such a great joy to share in your renewal vows and to meet all of his children and grandchildren that he was so proud of. Our thoughts and prayers are with all of you!
Please know you are ALL always welcome to our home on B.I.
Love, Deb & Eric

“ *Marcia,
My thoughts and prayers have been with you throughout this entire ordeal. I didn't get to know Dave for very long but each time I was at your home and he was there it was plain to see what a nice guy he was! I know he was the "Love of your life" as you have said many times! Even though you try to take comfort in knowing he is at peace and free from pain, it is still hard for the ones left behind.*

Love you, Cathy
