

David S. Leach

July 7, 1967 - September 13, 2021

East Kingston – David S. Leach, 54, of East Kingston, left this world surrounded by family & friends on Monday, September 13, 2021. He had a very happy life with his wife, Christine, and children, Mags & Denzil.

He graduated from Sanborn High School with the Class of 1985 and Plymouth State College in 1989 (cum laude) with a BS in marketing.

His first job was at the Newton Greenhouse with his friends, Matt & Scott, his brother and his mother. He went on to work as manager for Osco Drugstore for 10 years, and later a 20 year career with CCMI designing subdivisions & septic systems, his greatest accomplishment was being a fantastic father to his children. David left Osco for a job closer to home that allowed him to attend every concert, sporting event and school activity. Dave taught Mags & Denzil to ski, fish, swim, play cribbage, golf, and how to build a fire. For 10 years, Dave built a haunted house in the garage with the help of his family & neighbors and welcomed trick or treaters for a free “tour of terror”. It is still the talk of East Kingston!

Dave shared his love for nature and travel with his family. That love was fostered by parents with family vacations at Tunk Lake in Maine and 50 mile hikes with the Boy Scouts. Dave’s brother, Ken, did all the hikes with him and they shared chores around the house like cutting Cord Wood start to finish

with their father, Arlyn.

Dave's mom, Elizabeth, and dad, Arlyn taught him to ski at 3 years old. The family had many years of skiing trips and camping during his youth. He played soccer, hockey and basketball throughout his years at Sanborn.

Dave became a friend of Bill W. in 1993 and had 28 years of sobriety and spiritual growth. His extended family & the fellowship carried him through the last 2 years of his journey with glioblastoma (brain cancer).

David is survived by his wife, Christine; children & son-in-law, Denzil, Mags & Jayden; his mother, Elizabeth; brother and his partner, Ken & Stuart; brother-in-law, Stephen; niece and nephew, Aislyn & Logan; mother & father-in-law, Dee & Jim; brother-in-law & wife, Greg & Femmie; nephew, Aaron, and many (many) cousins, in-laws, and friends.

He will be remembered for his big smile, easygoing nature, Iron Man sized will power, and his unmatched ability to listen.

His wife- whom he said had the same last name before marriage & was the most supportive, positive, fun, amazing, best partner anyone could ask for (he really did!)- will be forever grateful for him and miss him in every moment. He really was the better half in every relationship.

Calling hours will be held from 4-7pm on Friday, September 24, 2021 and a celebration of life at 11am on Saturday, September 25, 2021 in the Remick & Gendron Funeral Home-Crematory, 811 Lafayette Road, Hampton, NH 03842. Masks will be required. In lieu of traditional remembrances, donations may be made to the Glioblastoma Research Organization by clicking here (<https://gbmresearch.org/donate-now>) or by mail to 2045 Biscayne Blvd #189, Miami, FL 33137.

“ *Dearest Christine and your amazing children, Even though years have gone by, my memory of you and your family is embedded on my heart, as we planned for your children's Christening and welcoming to Unity many years ago. Yes, the love that was palpable as we shared remains, and does remain, as real and actually more real than anything else in all of life. May grace, comfort & gratitude for your most beautiful & heaven-made relationship with David carry you. with great love, Deborah (Rev. Deborah Evans Hogan)*

“ When you meet someone for the first time you can get a sense of their character and with Dave he had enough to fill a stadium. I meet Dave through Wednesday night golf. He always had that big smile that was so infectious. I will miss him and cherish the time we spent golfing against one another. My deepest sympathy to the Leach family.

“I have always felt privileged to have been one of David's Little League coaches in Newton. Unequaled as a team player, competitive to the nth degree and always the ultimate young gentleman!

My last visit with Dave was recent and with his mom Betty. We talked about those Little League days, especially about one championship that got away from us that he recalled, as only Dave could do, that had us both smiling!

Barbara and I send along our condolences to Christine and to their children, and to Kenneth and to his mom Betty and to all who knew him, at their great loss”

“ My heart goes out to you, Christine and family. Dave was an amazing guy and his infectious smile lit up every room he entered. I have fond high school memories with him at our trivial pursuit parties and street hockey tournaments. My wish for you is that healing becomes more prevalent with each passing day. Sending warm hugs from the Cypher family.
