“ Dave was a man who liked people. A ready smile for those he met. I was glad I got to see him at our 50th high school class reunion in August.

Dave enjoyed a blessed life with a family he loved who loved him so much.

You will be in my prayers.

“I know Heather as a kind and wonderful person, I can only imagine that she was taught well and brought up with a lot of love to be so caring. My heart aches for you and your family at this time. May the angels take care of Mr Marston and watch over his family during this time of need.

“I am so sorry to hear of Dave's passing. He was a person that I held in the highest regards, someone that I learned quite a bit from as a role model who helped shape me into who I am today, and as a friend. I have many fond memories of my time, however short as it was, with Dave and you as his family and will miss him dearly.

“ *So sorry to hear about Dave, what sad news. What happy memories we have of Dave and his family when we lived in North Hampton, including the time we helped to clear land for the future home of the Libby B's restaurant, that was a fun day even though it happened to be on Mothers Day, it was a day that will always be in our thoughts. Dave will truly be missed.*

“ Dave was the sweetest man I've ever encountered in my life. He was a regular customer at my work where he would come get his coffee daily. Always had a smile on his face and that smile could brighten up a whole room full of people. I'm going to miss seeing his smiling face everyday. I am truly glad to be able to say I knew such a great, wonderful, caring and sweet man.

“ Oh what sad news. We will remember Dave as a loyal customer at Marelli's Market for years to come. His gentle nature and will to share in life's journey will be missed so very much. Karen will play your numbers tonight in your memory, Dave! You won the lottery already by leading such an exemplary life of good will and respect for all of us. Thank you for being a wonderful friend. Our deepest sympathies to the Marston family. This is a great loss. Marcia, and everyone at Marelli's.

“ Uncle Dave,
I will always remember the kindness, dedication and respect you demonstrated to everyone (even to the most horrific customers). I appreciate all of your Saturday morning wake up phone calls you gave me while I was at UNH because you wanted me to be at work on time to help you in the lobster pound. Thank you for always making me laugh, smile and feel loved.

I miss you!

*Love always,
Rachel*

“ Uncle Dave,
You were a very awesome person. You always sat down with us, to see how life has been treating us and really cared to hear our stories. You have been a blessing to our family and will be missed dearly. You must have already had a few ski runs with the angels. Please give Jesus a hug for me!
