“ *Mrs. Philbrick, Sue and family. We are shocked and saddened by Davids passing. You are all in our prayers in this impossibly difficult time. I have known David all my life and have years of memories growing up with him and the rest of the family on Cable road. I have had the honor of working at Philbricks for a brief time and gained a much greater appreciation as to the good man David had become since our childhood. He was a caring and kind friend to all, with a mind for business and a good mechanic. I will remember the times on Cable road playing war games, the apple fights, the gang all riding our bikes in that magical child hood we had in Rye. But beyond that, I'm honored to have known him later in life and humbled at his passing. You are all in our prayers in the Di Nola household and we are here for you should you need us.
