“ *My sincere condolences Donna and Sharyn. My heart goes out to you both. You are both in my thoughts and prayers as you grieve the loss of your husband (and father.)*

Memories: I am so glad that you both introduced me to rollerskating at Hudson in 1980, that is how I met my soul mate! I can remember Dave being a skate guard there :) and also I remember Dave saying to me as a teenager "All of a sudden" Not sure why I remember that LOL

“ *Donna, I am very sorry for your loss. Dave was a fun loving character that I got to know during morning coffees' at Marelli's with Marcia. His sense of humor reminded me so much of my husband Joe, who I lost seven years ago. Prayers and hugs to you and your family.*

“ *My first meeting was the day of Sharyn and Jeremy's wedding. He was warm and I do not think the smile ever left his face. I was introduced to his family and instantly loved them all. Thru the years we have shared time at various family gathering for Sharyn, Jeremy and Julia. May the memories made help you as you begin your world without him physically here. He will send you signs from heaven, so watch for them. Your are all in our thoughts and prayers.. Aunt Deb and Uncle Fred. Love you all.*
