“ *Dave was friends with my daughter and used to drive the neighbor's dog nuts honking his horn as he drove by. When he visited he was so kind and thoughtful in everything he did. I've always enjoyed being in his presence. He will be missed a lot by our family. He was truly a special person. My heart goes out to his family and friends.*

“ Our hearts go out to his family. We knew David through our kids and playing soccer and school. When ever he saw us he all ways made a point to come over and say hi. He was a very talented young man. I remember him showing me some art work he did for his friends restaurant on Pease Air Force Base. He all ways had a smile on his face that would light up the room. My God keep him safe.

“ Dave always kept me company with conversation during my overnight shifts. He helped through a really hard time in my life and I will always smile when I think of him. He touched my heart in such a big way, though we didn't see much of each other through the years. Such a big beautiful heart <3 going to the art museum this summer in honor of him..
