

Dennis P. Moore

March 6, 1962 - October 11, 2024

Newfields – Dennis P. Moore, 62, of Newfields, passed away peacefully on Friday, October 11, 2024 with family at his side.

Born on March 6, 1962 in Norwood, MA a son of the late Donald R. and Marie (Sansone) Moore. Raised in Walpole, MA he graduated from Tri-County Regional Vocational Technical High School in Franklin, MA.

It's hard to understate the impact Dennis had on so many people's lives. He embodied the gifts of hospitality and generosity, always looking to invite others in and be a blessing to those around him. He made friends everywhere he went and was the life of every party.

Dennis was a long-standing member of New Frontiers Church in Portsmouth, NH. He loved entertaining and welcoming others into his home, treating them like family. In his own words, "I often thought deeply about who to invite, and I'd tell others to invite whoever they thought needed to come. I always wanted to include different people or folks who are new to the church so that they would feel connected. I often struggled to go deep with people, but that's why I invited everyone. I was the gatherer. I brought people together to go deep with each other, to share with each other, and to love each other. I loved creating opportunities to deepen love and community."

Dennis worked his entire career in the plumbing and heating field. He owned and operated Great Bay Plumbing & Heating for the past 33 years. "This was a big part of my life," Dennis mentioned in his last days. "I made so many of my closest friends through running my business. I've had customers that have turned into family. They're now like brothers and sisters to me." He enjoyed mentoring others and training them in his trade, and he was very proud that many of the men that worked for him have gone on to own their own businesses.

Dennis was also an avid skier, a "Disney Dad", a brilliant gardener and a die-hard Patriots fan. As a season ticket holder, he attended hundreds of Patriots games and loved bringing people to their first game. His Super Bowl parties were as legendary as the team's dynasty.

He shared 33 years of marriage with his wife Sharon (Dufour) Moore of Newfields. "There's so much I love about Sharon. She's very faithful and she's a rock for our family. She's not afraid to speak into the kids' lives as she nurtured and raised them into who they are today. I couldn't have done any of this without her." Together they built a wonderful home and family, including three children whom Dennis considered to be three miracles: his three most treasured gifts from God.

Surviving family members include his children, Isaac Moore of Somersworth, NH, Olivia Moore of Medford, MA and Alyson Moore of Newfields, NH; brothers, Gary Moore of Bonita Springs, FL, Steve Moore and his wife Beverly of Hampton and several nieces and nephews.

In addition to his parents, he was predeceased by his brothers, Robert and Ricky Moore.

“ I will always be thankful to Dennis for how he shared...his home, his time, his faith. Pool baptisms, Superbowl parties, trick-or-treating - Dennis was always inviting you in. He loved intentionally and we are all more blessed because of him.

“ Sharon, Isaac,Olivia and Alyson,
What a gem Dennis was and although taken way too soon he left a
mark on the world.

*I hired Dennis to build a new Empire Beauty school and his
professionalism was remarkable but pales in comparison to the
person I came to call a friend.*

*I always enjoyed seeing him at KJ's , The Powder Keg or wherever
we would meet.*

Such a proud, loving , giving person.

*We spoke in August as he offered me his tickets to a show at
Gillette but I was in CapeCod and we chatted about catching up in
October.*

*I reached out once since and he never let on how bad he was and
told me he'd see me soon.*

It was a privilege to know him.

My thoughts are with you all

“ *This Polaroid of Sharon and Dennis was taken 25 years ago at a birthday dinner. That is how long I have been blessed by knowing Dennis. When my family and I moved from England to Portsmouth, Dennis and Sharon opened up their home and simply loved us . We were so far away from our family, and they became family to us .Dennis always made things bigger and better. He never sat still for long, always on the go making someone's life better and brighter. I am so proud and blessed to have had his friendship for the last 25 years . He is deeply loved and will be sorely missed*

“ *Dennis was my boss, way back when he first started his plumbing business, I learned a lot from him, more than I had or have learned from anyone before or after working for him.*

Dennis was always keeping up with new ways to do things. I remember when he met and married Sharon, how happy he was. I started my own plumbing business which has been successful and I owe a thank you to Dennis for the knowledge he gave me, it certainly helped me succeed.

I would often see Dennis usually at the Exeter Webb plumbing supply house. We would always chat for a bit no matter how busy we were. We spoke of family and how business was going. I will miss our supply house meet ups. I know I speak for several of us tradesmen when I say, Thank you Dennis for all we learned from you.

Peace
