“ *I had the great pleasure of working with Diana at Fishery Products International for several years, and I can say with 100% conviction that she was one of the most dedicated team members and co-workers that anyone could ask for. Equal parts hard working and fun loving, I can still hear her laughing with Jan! Condolences to Diana's family, she will be missed by many...*

“ My prayers go out to the family.

I'm so grateful that I had an opportunity to work with Diana for several years at High Liner Foods. Diana was a character. Funny, charming, caring and loving. She kept me on my toes, always guessing what she might say next. She was a very special lady who loved her family and was a faithful friend. I am a better person for having known her, as she will surely be missed.

“ *I had the pleasure of working alongside Diana for many years at Fishery Products International and High Liner Foods. Always cheerful and full of spunk. Always quick to say hello with a smile no matter how her day may have been going. Diana was so very proud of her family and husband Bill. She cherished every moment with them and never failed share friendly stories of their lives together.
