“ Sincere sympathy to family and friends of Diane. Beautiful obituary and tribute to her, I'm glad she had a nice family and life. I worked with Diane at the Stop and Shop back in the early 60's. She and I flew to NY to visit Jim and Sheila and attend the World's Fair. Fun trip and we laughed the entire time. Diane was a lovely person and that smile and calming demeanor in work or on my first flight was appreciated. I still remember when her brother, Jim, picked us up after work in his beautiful new Ford Mustang and drove us teenagers all around Marblehead to impress everyone. Great people and times. Diane will be a beautiful angel watching over her husband, sons and extended family. Prayers and smiles. Mary Walsh Russell

“ We remember Diane and Steve from the YMCA and the Little League Fields in Salem Ma..Every Saturday after the Y my husband, myself and our son Brian would go next door to the coffee shop for coffee, chocolate milk and donuts and meet the Campbells and their boys there it was almost a ritual. We also were very involved with Salem Little League and had a great time with the Campbells there too. Diane was a person that had a smile and a helping hand for everyone, she was a wonderful person and terrific Mother. I am sure her sons will miss her. We want them to know our thoughts and prayers are with them.
