“ Al, I am shocked with this news. So sorry for your loss. I am so glad you were able to move to Hampton I know walking on the beach brought much happiness to both of you. We were lucky to spend time with you and Diane prior to having our kids. Our famous trip to Montreal always brings happy memories as well the wives trip to Boston shopping while you guys were playing golf. Who knew that red light was a serious warning. Hugs to you and the boys, it will take a while for this news to sink in. we will see you soon.

“ So sorry to hear of my cousin Diane's passing. She and I spent many childhood times together growing up on Cypress St. Whether it was playing with our dolls, board games, bid whist cards, hide and seek or going out to a restaurant with her parents, they were all fun times and wonderful memories.

RIP Diane

Love, Linda (Dimick) Carleton
