“ Diane my love. I never thought that I would find a true soul mate. But during our first meeting at Michael's Harborside I knew I had found what I had been missing. YOU.

We had a wonderful year together which culminated in our buying the condo on Littlefield Court. You had such a sense of how everything should be that I nervously told you go ahead and make this YOUR house. It hurts me so much that you did not have a real chance to enjoy the rewards of your labor in making the condo a real showpiece. You were a very strong lady and made me so happy and proud to be with you. Hector and I miss you terribly. The boy is being spoiled to say the least as he and I are bonding very closely and as I promised he will never want or need anything as long as he is in my care. You brought me so much happiness it's hard to explain. Life will never be the same without you my love. You had so many friends who were shocked and saddened by your passing. I pray that you did not suffer and are now with your folks, the Yorkies and Cobey aka Dribbles. I know that you are looking down at us and smiling as you are now at peace and suffer no more. Know that I will always love you.

Rest in peace gal.

You will always have our eternal love.

“ I met Diane about 5 years ago when I moved into the apartment across from her. She was the first person to welcome me to the building. She was so warm and friendly, always inviting me to come over for a visit. Diane would listen when I complained about my toxic job and encouraged me to find a better place to work. Hector was her baby. He's such a cutie, always looking dapper in his bandana or his blinged out collar. She loved Halloween so much that she installed a very unusual doorbell (it's still there even after she moved). What a fabulous lady! I'm very lucky to have met her. My condolences to the family.

Diane and I met as neighbors over 8 years ago and became very dear friends. Diane was a beautiful soul that I was blessed to have known. She loved her Hector which was her second son not a dog. Diane was the most compassionate person that I have ever met. I will always remember our laughs and talks and her willingness to always want to listen and understand..... she had a love for people ... and always wanted to connect with people. I know Diane is dancing in Heaven now with her "yorkies" Diane I love you ... you were my best friend and I will always have a place for you in my heart.... I love you always, Shelly

I knew Diane in high school. We were in homeroom together, and one thing we shared was our Polish heritage We were never great friends, but she was always kind to me, and in high school, that counts a lot. I am so sorry to hear of her passing. My condolences to those she has left behind.
