

Dietrich H. Ebert

September 11, 1941 - August 15, 2020

North Hampton - Dietrich "Dieter" Ebert passed away at home August 15, 2020 after a four month struggle with a brain tumor. He was born on September 11, 1941 in Munich, Germany where he was raised and educated.

Dieter is survived by his wife of 47 years and best friend, Kathie (Andrews) Ebert, his son Dieter and Rachel (Lupoli) of North Hampton, his daughter, Renata and Noah Baieve of San Diego, his siblings, Baebel, Eva, Hermann and Hans Heinz, all living in Germany. He will always be OPA to his cherished grandchildren, Alexa and Tyler Ebert of North Hampton. Dieter is predeceased by his parents Hans and Paula Ebert and in-laws Theodore and Marion Andrews.

Dieter met and fell in love with Kathie Andrews in 1969 in Munich and were married in 1972 in Wolfratshausen, Germany. They crossed the Atlantic Ocean on a container freighter in 1973 and settled in North Hampton.

Dieter was a Mechanical Engineer and worked for MAN and a technical institute in Germany. In the US he worked for Hampton Machine, Kingston Warren and Profile Metal Forming where he was still employed as a consultant.

Dieter was passionate about energy conservation, alternative energy sources

and physical fitness. He was an innovator and inventor, always searching for a better resolution to everyday problems.

Dieter treasured every second of his time spent at the family camp on Ossipee Lake, swimming, waterskiing, sailing, kayaking, hiking and snow-skiing. He was a kind and gentle soul who will be missed by all who knew him.

Services will be private. In lieu of flowers, memorial donations may be made to the Rockingham County VNA & Hospice (<https://www.exeterhospital.com/Rockingham-VNA-Hospice/RVNA-Hospice-Events>) or the North Hampton Fire Department.

“ *My Neighbor Family – all the memories that come flooding back as we raised our families. Dieter shoveling the pond so he could swing the kids around on the sled until they learned to skate; Dieter pulling Sandra on water skis for the first time at Lake Ossipee; Diet and Bob traveling with Russ and Dieter to visit Dieter's family in Germany; the 8 of us in a hotel room at Stratton Mountain enjoying skiing and New Year's Eve fireworks; our Sunday night Chinese dinners and on and on. When the heartbreak of loss makes it difficult to even breathe, wrap yourselves in all the loving memories. Russ and I were always so grateful that we lived next door to such a perfect family and one that we built a lifetime of memories with, as well as our homes. I can only smile and giggle when I think of Dieter and his gentle way standing next to my Russ– Mutt and Jeff. All my love and thankfulness to Dieter and your entire family, especially oh so especially these last 2 years. Such a hole these men of left in our lives, but thank God for the warm, wonderful memories, which bring them so close.*

“ *Kathy and family - I am so sorry to hear about Dieter - such a wonderful, kind man. I worked with him several years and he was always a favorite - we talked alot - such wonderful stories! So much energy! My son also worked there and Dieter always took time to show him things and explain them, my son will always remember that - he's used that knowledge in life, in work and out. He will be missed by many but will live on in so many great memories. He'll always be with you in your heart - and always smiling! My heart is with you Take care,*

“ *Dear Kathie, Larry and I are so sorry to read of the passing of your wonderful husband and best friend, Dieter. Remembering the two of you together when we were all young. I will always remember him in the garden with you wonderful Mother. He thought if you didn't swat the mosquito's that you would build up an immunity to them. You are in my prayers, Kathie. You were blessed with a wonderful human being such as Dieter in your life. Love, Larry and Barbara*

“ Kathie,
I am so sorry to hear about Dieter. I will always fondly remember one of the more interesting appeals I heard while serving on the North Hampton Zoning Board. You and Dieter were pioneering energy conservation practices before many even heard of that. My sympathies and best wishes to you and your family.

“ To the entire Ebert Family. There is no way that I can begin to express my sorrow on hearing of Dieters passing. There are so many good memories that I have in knowing Dieter. When we built our house across the street in 1986 Dieter was the first to come over and welcome us to the neighborhood. He was a true GENTLEMAN in all the senses of the word. He was always soft spoken and used to say to me when I was doing repairs to the house he would say you are making improvements.!!! I could fill an entire page with good memories I have in my knowing such a fine neighbor and friend.

My thoughts and prayers are with Kathie, Dieter and Renata.
May he rest in peace.

“ My first memory of Dieter is from 1970, when I visited him and Kathy in Munich. Kathy was working there, and Dieter took me to his parents house, where I was treated as one of the family. He was a great man, and husband and father. He will be greatly missed. Love and prayers to you, Kathy.
