“ *Dear Nora and to the entire Blouin family: Don was such a charming and gracious gentleman. I loved working with him and enjoyed his stories about family, work, boating, and travel. It was very apparent during our conversations that he was so proud of his family and that Nora was the love of his life. My deepest sympathies during this difficult time.*

“ The Mayor of Rye Harbor.

Quick with a helping hand, ready with a pearl of business wisdom. I benefitted from both, and so much more.
