“ *I'm heartbroken that Donna was taken from us at such a young age, but I am grateful she suffers no more. Cancer is a terrible thief and its just not fair.*

My aunt Donna Booth was a beautiful, witty, vivacious, fun-loving, generous, courageous, incredibly funny lady and I'll miss her wonderful presence on this planet.

“ I had the wonderful pleasure of working with Donna for 3 years. In those 3 years she made such an impact on my life and my children's lives. She never let her illness get the best of her and always kept us laughing despite what she was going through. I have never laughed so hard at work as I have with Donna. She has shown me that life is what you make of it and it should be happy no matter what. I will never forget you Donna. Thank you for the wonderful stories and the great laughs we had over pets, families and the "crazies" we encountered during the day. You are greatly missed and I hope you are still laughing!

“ Donna was the person who built up everyone around her with her positive and funny attitude. If you were feeling down she would turn it around. Any day at the workplace with Donna was sure to have laughs involved, not matter what was going on. I will always think of Donna for the rest of my life because I learned SO much from her. Strength, courage, humor, heart and so much more. I remember a time at work a few years ago that she had a new favorite song... Lady Antebellum- Need you now. It was lunch time and she brought it up on her computer in her room and had it playing so loud the speakers almost blew off the monitor! Haha, we laughed so hard. I am so thankful to have met you Donna. You did so much for everyone and you probably never even realized it. You were an angel here on earth to spread happiness to everyone you met and now I know you are at peace, an angel in heaven. I love you!

“ I worked with Donna for 4 years but in that time, I felt like I could open up to her about anything. She had a wonderful sense of humor and despite her pain, she was always positive. Her upbeat attitude was definitely infectious! It is no wonder that she had such close friends at work and loyal patients who kept coming back to request her. Donna, Micah misses his cleanings with you and I miss our lunches together. Pray that you found peace and rest my dear friend. I love you and miss you!

“ Our dear Donna was a special person. I fell in love with her the first time I met her. Her vivacious demeanor and sense of humor was impossible to overlook. She was a wonderful wife to Jim and had more tenacity for life than anybody I have ever known. May the almighty God take her to his bosom and provide her with that which she was promised when baptized as a Christian.

“ Donna was a lot of fun to work with and great mentor to learn from. She was always very confident and I miss being in her company. She was proud of her family- Jim, mother and brother, niece and nephew and her cats!!! Always one to go above and beyond- when I got my first "used" car, it had no manual so she surprised me one day by finding one and gifting it to me. She was certainly very generous. She is frequently asked about by the many patients and their parents she cared for.

If ever faced with adversity like she was these last few years- I can only hope I can have half of the strength, optimism and humor to get through it as she did. Simply amazing.

May she rest in peace.....

“ Donna was my long time coworker, confidant, and friend. She was a loving and caring daughter with strong family ties and she often spoke admirably about her brother's dedication to her Mom. At the center of her life was her husband, Jim, whom she often spoke about with love and pride.

Working with Donna was certainly a treat. We could always count on her to brighten our day with a quick witted remark or story. When she struggled through her illness, we were all amazed and inspired by her courage and positive nature.

Donna, I will miss your smile and warm friendship, which was a gift.

“ Rest in peace Donna. She will be sorely missed. I'm glad she is no longer suffering, but it's hard to understand why she had to go through this. I will always remember her sense of humor and those great stories she would share with us around the Thanksgiving table.

"Why do the best people die so soon?"

"When you're in a garden, which flowers do you pick first?"

"The most beautiful ones"

*We love you,

“ I remember stopping in to Jim and Donna's house in Haverhill to find Donna mowing the 45 degree incline that was their front lawn and thinking how determined she was to take on a job that would have given me a heart attack. Donna was determined, focused and at the same time had a wicked hilarious sense of humor. I once asked her if she would ever consider getting a dog and she replied "I'd rather have a shark in my living room"

I loved her and hope I can face life's tribulations with at least some of the courage Donna showed.

Although I only had the honor of Donna's friendship for a short period of time, she has left me memories of her wonderful sense of humor (she could tell a great story), shared experiences and her ever positive attitude and outlook. My heart goes out to Jim and her family. Peace to you, my friend.
