“ *John and Family,*

I was saddened to hear of Donna's passing.

My most resent memories of Donna (Wags) are when you both attended a Brewster Reunion about 5 years ago and then again 2 years ago for our 50th Reunion. What a joy it was to see her. When we attended Brewster in the late 50's and early 60's I remember Donna as a shy and really sweet girl and a super athlete. Boy could she play ball!

I know you and your family and friends have wonderful memories. May God give you all the strength to cherish these times when you think of her

My thoughts and prayers are with you all.

“ *John and family,
I remember quite well the contact I had with you and Donna when you were in your early years of your marriage, and often thought how vibrant and full of life she was, and how much love she had to offer you. And no doubt lived life to its fullest.
Our thoughts and prayers go out to you and family members.*

“ *I would like to express my deepest sympathy to Donna's family . She was a classmate of mine in the late 50s and I graduated with her in 1961 from Brewster Academy . My thoughts are with you at this time . I'm sure all of us who knew her through out our teen years will remember the good times we had at Brewster. My prayers are with you .
