“ Aunt Dora,
Your love and light will always shine in my memories. You set so many great examples and shared so much love and happiness wherever you were.
Heaven is a little fuller with you in it.
Love,
Peggy

“ Aunty Dora
Creative, loving, inspirational, giving, and more. So many great memories beginning when we were very young staying at her fun old house on Lowell Street when Mom and Dad were away. Her and Moms 's support for each other was never ending.
The beautiful skating outfit she made us, she could sew anything and make anything. I will never forget the grilled cheese and fresh tomato sandwiches from uncle Norman's garden .
Her gentle laugh will always sound in my ears . She will remain in my heart forever with such fond memories. Thank you to Suzanne for her unending care and devotion to Aunty Dora.

“ Dora was such a kind, thoughtful, caring person. She brought so much love and joy to my dad's life after my dad lost my mom. My dad was drawn to how much she helped people at Heatherwood. She was a shining light. We will miss her!
With love,
