“ *Dorothea made my children some beautiful sweaters and blankets. I can see her walking across the lawn to bring Gram or Ma some of her good cooking. I loved when she came over with Chop Suey. No one could make it as good as she could. I used to have Ma call her and put our order in. Susan and Alexandra our thoughts and prayers are with you!*

JA

Dorothea and I belonged to the same line dance classes. We had a grand time with her. She was so good at it and no one could wiggle like she did. We had so many good times and laughs. We even went to Nursing Homes and other places to dance for the elderly and also at Topsfield Fair every year. She will truly be missed...we loved her.
