“ *What a shock and great sadness to hear of Dotty's passing. We worked together way back at the Exeter Banking company which over the years has gone through many changes and is now Citizen's Bank. Lots of laughs, lots of fun and I was so happy to see her join the volunteers at Exeter Hospital where we reconnected. Loved her wit! I will miss you my friend.*

“ *I had the pleasure of working with Dotty at Community Bank and Trust. She was so much fun to work with and would go home at lunch time everyday to walk her precious dog Tatiana. Her expressions were priceless. You will be missed dear Dotty. RIP*

“ It was a pleasure to see Dottie walk into Exeter Hospital, where she was a volunteer.. Always delightful and upbeat Dottie had alot of reserved class! She often would joke with my dad (90) and he with her, it was a heart warming exchange to witness. Her sudden passing was such a shock that many of us couldn't believe the sad news. Her friendly smile, wit and contribution to all of us; patients, visitors and employess is our loss but heavens gain. My deepest sympathy for your sadness and tears.

“ Dotty was a pistol! It was a pleasure working with her for the short time I did, and I was so happy to stay in touch with her over the years once we were no longer working together. I always was reminded of her when I drove past the NHSPCA. She was a wonderful friend, co-worker, and animal lover. She has an unforgettable laugh and sense of humor. Condolences to her family.

“ *Plaice Cove won't be the same without Dotty. She was part of our walks so many times over the years with Sydney, Tiana and Kate. As a fellow banker, we shared many stories. She and Kate will be missed. Condolences to her family.*

“ *Plaice Cove just won't be the same without Dotty. Whatever the season, whatever the weather, you'd find her walking her dog -- or those she was pet-sitting -- throughout the lanes of Plaice Cove. Or taking in the view from the bench by the beach. Or stopping by to catch up with the latest news. Or complaining about the cold/wind/rain/snow! We'll miss the friendly greetings and hearty laugh that have been a fixture in Plaice Cove for us since we arrived in 1971. Sending condolences to Debbie, Colleen, Kathy and Danny and the grandchildren she bragged about. Peg & Rich Aaronian*

“ I grew up with Dotty's daughter and son, Kathy and Danny. I have fond memories of hanging out at Plaice Cove beach using Dotty's house as home-base. She always had the best food. Seems like she made a cake or some other dessert every day and we were always happy to help ourselves,, of course! We would get in big trouble though if we made a mess!

Our deepest condolences to the family for such a great loss. We will all miss her great sense of humor.

Love,

Corinne (Dumaine) & Alex Crosby

“ I knew Dotty threw he Community Bank when I worked at McDonalds of Hampton. She always made me laugh when I went in, I always remember her facial expressions said it all on how she felt about things! She always talked about her dog and how she loved walking on the beach every morning. She will be missed
