

## Dorothy L. Courtovich

December 3, 1943 - August 24, 2023

Dover, NH - Dorothy Louise Courtovich died peacefully August 24th, 2023, after a brief decline in health. She was the advisor to many presidents and senators but never saw pure politics bigger than government. She was a co-chair to Henry Cabot Lodge's race against John F. Kennedy. She went on to cheer for President Kennedy and when asked why she replied " Because he's our President". She was active in her church and community. Dorothy was an independent force in all that she did. She enjoyed volunteering and would do so at Volvo International Tennis every year in North Conway, NH running the food tent for fellow volunteers.

She was also a loving Mother and Grandmother. Dorothy found happiness in spending time with her family and loved ones.

She is survived by her son Jim and granddaughter Colleen. She was predeceased by her loving husband George and son George who she will be laid to rest with. A graveside service will be held at 11am Tuesday August 29, 2023, at Calvary Cemetery in Portsmouth, NH. Any family or friends of Dorothy are welcome to attend.

“ We loved Dorothy and George so dearly and they have left a void in our lives that can not be filled! When Dorothy would call, she would remember every happening in our lives and insisted on an update before turning the phone over to George. I know her reunion with George Junior and George Senior made all well again. God bless them all and let them rest in peace....The Tamburro Family

“ Dorothy was my friend for more than 40 years! Lots of fun memories and fun nights out. Both Dorothy and George loved to reminisce about funny things that happened, especially how my husband Harry once dropped the turkey when taking it out of the oven on Thanksgiving! So sorry I did not know about the service and will remember her fondly.

“ I remember “Mrs. C” fondly through my years at Citizens Bank (formerly Bank Meridian and previous to that, Hampton National). She was an interesting woman and I enjoyed our interactions! My thoughts are with James, whom I also knew through my bank association. Warmly, Cindy (Maxwell) Jones
