*Phil, Bill and Dick and extended family....Your.mom was an awesome person.....memories will get you through these tough times. Your mom loved her family, church, friends and her beloved Hampton Falls where she spent most of her life. As neighbors we always loved seeing mom getting the mail...working at the lumber yard....at church meetings....or at one of the many positions she held in Hampton Falls. She and my dad were such an important part of many of the committees that were early in forming the town that Hampton Falls has now become....espically the historical society and the library...it is a sad time for your family but also for the town she so dearly loved.....Nancy Janvrin Haskell*

*To Bill and Nancy, Phil, Dick, and extended families. When someone special leaves this world, the world is lessened only when no one remembers. Your love and memories of your mom will keep her alive in your hearts for ever. She was a great lady.....David Faust*
