“ Dear Mark, Alan and Families,

~Thinking of you all, as you celebrate the life of your Mom.

We'll always remember Dotty as a kind neighbor. Her homemade Applesauce Squares with cream cheese frosting were legendary. She and Bill always delighted in seeing the children dressed in Halloween costumes and stopping by the house, during Trick or Treat.

Her warm and friendly wave to us, as we walked to the beach will be missed.

“ *I remember Aunt Dottie as such a kind and loving person. She always greeted us kids with a big hug and smile. She always looked so beautiful to me with her curly hair and her red lipstick. I will always remember our trips to their camp and the fun we had. I am so thankful to have had such a special Aunt.*

*Love to all the family,
