“Caitlin, I'm so sorry about your loss. Aunt Dot was a special lady. We only got to speak a few times since I am in Florida. I sent her flowers for her birthday a few years ago and sent her pictures of my grandkids. My dad George P Hardie was her brother. I found this picture of myself and your dad Todd when we were young at Aunt Dot's house in Kingston. I thought you might want to have it. I also loved your Grandfather John. His woodworking sculptures and her quilts were beautiful.
