“ So sorry to hear about Dorothy. I was a friend of Joan and Dorothy at Rye Beach, NH. My parents knew Hector and Marion Denutte and Angus and Barbara Kennedy. Had lots of fun at Rye Beach. In the early 60's I joined the Air Force and lost touch with the family but I never forgot them and Charlie then one day I was talking to Barbara and she told me Joan had passed away very young. So sad for that to happen. They are together now and God will watch over them forever.

"It is in dying that we are born to Heaven." God Bless all of you.

“ Dotty, I will always remember you as the dynamo that I first met at the College of New Rochelle where we were both "dayhops" and graduated with the Class of '51. We then continued to see each other as young women working in the City, going to the Newman Club and to Oakland beach. I last spoke to you on the phone in the fall to let you know that the CNR Quarterly had not yet corrected my premature death notice, which I would have never noticed if you hadn't called me to let me know. I will miss you. May the Lord grant you eternal rest and may his perpetual light shine upon you. Nancy (Carroll) Robertson, Ossining, New York
