“ *To all of you - Although I won't be able to attend your mom's service today, I wanted you to know how special she was to me. Many years had passed but when I saw her it was just like no time had passed at all. She was a great friend always and I loved all of the fun we had even if it was grocery shopping with all of the kids. I am truly sorry for all of you.*

*Sending hugs and my love,
