“ *Dottie was the best, she took me under her wing when I started at First NH in Hampton at 18 years old. When we would see each other at the store it was like no time had passed at all. She will be missed by so many. My heart goes out to her family. RIP Dottie* ”

“ *One of the best, sweetest and kindest ladies I ever have known! She will be missed and a second mom to me! Her son Bobby was the first friend to have me over for a sleepover... We played chicken with darts, late at night, unfortunately, after hitting Bobby on top of his foot, and then we had to wake Dotty up!!! She was like a nurse and a mom to us both!* ”

“ *What a lady! I first met Dottie as my bus driver when I was at HAJH. Her son Bobby was in my class. I then was lucky enough to work with Dottie at Hampton National Bank. She was always smiling and happy. Talked about her children all the time. I have no doubt she is going to be greatly missed. RIP Dottie.*
