

## Douglas W. Lamprey

May 5, 1963 - December 5, 2022

Hampton - Douglas W. Lamprey, 59, of Hampton, passed away unexpectedly, Monday, December 5, 2022. He was born in Exeter N.H., May 5, 1963, a son of B. Joanne (McLane) Lamprey and the late David J. Lamprey Sr.

Doug graduated from Winnacunnet High School, Class of 1981. He worked many years for his grandfather, D. Morris Lamprey, on the farm at 63 Atlantic Avenue, North Hampton, NH and subsequently in the family business, Lamprey Brother's Inc. in North Hampton. He spent the last 11 years working for Bosch Thermotechnology in Londonderry, NH as a Sr. HVAC Field Specialist where he enjoyed traveling throughout the US and Canada solving complicated HVAC problems.

He shared 29 years of marriage with his wife Jo (Richardson) Lamprey. Doug and Jo have 3 wonderful children Krista Lamprey of Raleigh, NC, Michael Lamprey of Hampton, NH, and Marisa Lamprey of Hampton, NH.

In addition to his wife and children, family members include 3 siblings (brothers), David J. Lamprey and his wife Kay, Donald M. Lamprey and his wife Sue; all of Hampton, (sister) Debra L. Whitten and her husband Kerry of North Hampton. Doug also has 11 nieces and nephews.

Those closest to Doug knew he had the biggest heart that he would reveal in

unexpected ways. He enjoyed our large family gatherings for holidays and special occasions. He always arrived with a smile and jolly laugh. He sang traditional Christmas Eve Carols the loudest and he was the first in the Lamprey family to earn the title Fun Uncle Doug, sometimes to the dismay of his sister and sisters-in-law by gifting the loudest toys and creating mischief. Doug had a special mechanical and artistic mind from an early age, adopting the skillful trades of his ancestors. Doug and Jo spent a year in 1995 building their home, which he spent his free time maintaining and improving upon year after year. He spent many hours in his workshop building furniture for his family, He enjoyed helping his children with school projects where he always went over the top.

He was active in high school sports (and shenanigans) and was a standout hockey goalie. He participated in band and theatre as a trombone player. Doug was also a passionate sports fan for all the Boston Pro teams- particularly the Patriots and the Bruins, attending many games over the years including Super Bowl XXXVIII.

“ I am so saddened to hear of Doug's untimely passing. Although I haven't seen Doug in many years, I remember him as a very kind and humorous person when we were growing up (or should I say attempting to grow up!) in North Hampton. Doug also played trombone alongside me in high school band and many great memories exist there as well. Please accept my sincere and heartfelt condolences Lamprey family and Doug's friends. “ I want to start off by giving my condolences to the family! When Doug and I spoke he always managed to stir our conversation into talking about our kids, and he warned me on multiple times to make time to spend with them as they grow up in a flash! Me being from Montreal and being a Habs fan he always liked to point out that the Bruins we doing better in the season then my Canadiens! I will miss his endless knowledge on the industry that we both worked in, and his kind heart that I was privileged to get to know. RIP my friend! Mike Vallieres - Vallieres Inc.

“ My deepest sympathies to Doug's family. Definitely remember him as a fun and funny guy. But I remember about him most.... he was the first boy to ever ask me to dance!! And because of the way he was raised he held out his hand and asked...Sara, would you like to dance? Made me feel special. Thank you, Doug.  
My thoughts and prayers are with you all at this most difficult time.  
Rest easy Doug. You will be missed beyond words.

“ I had the honor of working with Doug, many years ago, with his family. He was always fun and easy to be with. And my goodness...talk about a genius!

Doug, you could solve any HVAC problem over the phone, I mean... you set the bar in so many ways for the HVAC industry. Rest easy old friend. My thoughts, and love are with you and healing prayers to your family.

“ Dear Don and family and Deb and family. Loosing someone who you loved is very heart breaking and it takes it toll out on you. You don't know if you are coming or going. The worst part is when you are alone or you just want to talk or have a hug. I lost my husband in July of 22. I talk to him all the time I just wish he could answer or reach down and hug me. But the Lord is in control and He wanted Doug up in heaven with him. Try and keep busy and relax and take the time for you to grieve. Thoughts and prayers going out to you and the extended family. May God Bless you all.
