“ Dwight C. Staples

“ *Deepest condolences to the whole Staples family on the untimely passing of Dwight. I will always remember him as a sweet kid who grew into a kind and caring man who was an exceptionally hard worker. May your memories sustain you at this time, and God grant you all you need for your hearts to heal. Gone too soon.*

“ *Dwight was, in a nutshell, a true "gentile giant" who would help anyone in need. His work ethic was never questioned, as he kept control of our kitchen at Turgeonelli's Groceria for 7-8 years. I also worked with Dwight at The Golden Egg and valued his excellence. An occasional golfing buddy, and certainly a drinking buddy, ... always a smile on his face. Hugs from Maine to Paula ... Gayton & Joanne Turgeon.*

“ *I remember Dwight as a child. A head full of curly hair and a ready smile. My thoughts and prayers go out to the rest of the family. He will surely be missed. Carolyn Doran*

“ Dwight and I would spend time at the end of the counter @ The Egg every day he worked. We would chat about the stock market. He would use his phone to bring up all his pics. We had fun talking about our wins and loss's. I miss that time spent with him. Last time I saw Dwight was when he stopped in at my shop on July 16th.
RIP Dwight

“ Dwight would make the biggest muffins at Wharfside and would make the best Egg McMuffin & Sausage breakfast sandwich for me. One day he asked me why I didn't have a muffin and I advised him that I didn't like any of the flavors. The next day he had all the flavors I liked. Such a nice man!! Will be greatly missed by employees and patrons of the Wharfside at Ashworth by the Sea.
