“ *I don't know if my first message went through or if it was deleted, so will write it again. My apologies if you get this twice. I was very fond of Rosalyn and we worked together on the Mason family genealogy when she lived in Proctorsville. I had been thinking about her recently, wondering where and how she was. We 'just happened' to purchase the Vermont Standard newspaper at the right time to see her obituary. I would like to attend her burial if you would be so kind to notify me when it is to occur. “ *I remember Rosalyn very well from Cavendish Baptist Church. She was always very nice to me and I thought she was a great lady.
