My dearest Earl Louise... It as been over a year now and KoKo and I truly still miss you tremendously! No one will ever fill your shoes honey no one. The tears still come. KoKo still barks when he hears certain trucks coming down and past house. And do you see him from heaven? He acts like a young pup once in a while. The trucks must sound or vibrate floor like old red. I sure miss you Chevy! Je'taime Etalon! Amour. Roxanne and KoKo
