“ *Ed was a contemporary and fellow pharmacist with my father Norman Sr, in Lawrence, MA. My father, Eddie, Eddie Jr and myself used to go deep see fishing on his boat. Learned my love of fishing and is still one of my favorite childhood memories. RIP and blessings to the Monette family.*

“ *The world suddenly seems a darker place; but the beauty of his life, faith, family and friendships lights the way for those left in his wake. He embodied everything that matters most -- duty and honor, truth and justice, kindness and compassion, love and acceptance. He was the very best of a waning "Greatest Generation", and his essence remains alive in his legacy. But that humanity could be more like him, our world would know little strife, only joy and blessings. Rest in Peace, my friend, with love and thanks. You will never be far from the thoughts and hearts of all who had the pleasure to share in your amazing life. With deepest sympathy to the entire Monette family and their wide circle of family/friends.*
