“ Ed was a great man and a gentle man. We had the best times fishing in NY as well on the beach. We talked about so many things and had so many secrets. What kept are friendship so true was the trust we shared with each other. Yeah you hit a mile stone in life but did with it a smile on your face. But being my best friend, I was glad to be there to talk and comfort you in days of despair. We had a lot of good times together and good laughs. But in the end, no matter what we had a smile on our face. I love you like a BROTHER!!!! I will always see you as my brother. I will love you and will cherish you in my heart. LOVE ALWAYS, PAUL
P.S. Remember how you fell on your face in NY, how you, me and Chris laughed so much!!! Those are the times that I will cherish us being kids again. R.I.P.

“ Ed always had a smile on his face. It was great to see him at family events. He always had some great jokes to share. I was lucky to get to know him. He treated me like his little brother when we were together. Always looking out for me and showing me how to fish. We spent some great times together at Uncle Bob's on the Cape. Days I'll never forget. On the beach and fishing in Uncle Bob's boat. Ed was fearless, strong, and had a warm heart. One time out on the Ocean far from the coast, he went swimming off the boat. I thought he was crazy. He even swam over to the large buoy with the bell. As soon as he got back on the Boat we starting catching huge sand sharks. We all got a big laugh out of it and how he must have attracted the sharks and he was lucky he got out when he did. Just one great memory of Eddie I will not forget. I will miss him and I wish I got to see him again and share some laughs. My heart goes out to his family. He will be missed.

Sincerely,

“ Dear Meyer Family.
Rocky and I can't wrap our heads, nor our hearts as to the loss of Ed. It was fate the way he entered our lives. We were so glad that we could be there for him. He was a true gentleman in every sense of the word. One day it just happened that we became "Ma" and "Dad" What a complement!!!! WE loved him like our own, and our Lives will never bee the same. I know he was so happy that night and full of love for all. He shared a lot with us that he did no one else.

We love you Ed and will always be in our hearts. Say hi to Colleen, as you are with the Angels now. Always Know that you were LOVED.

“ Rest In Peace Ed Meyers. You were not blood but you were family none the less. You've been dealt a pretty shitty hand in life but you were one of the kindest persons I've known. You did things for people w/o question and w/o hesitation and you will be missed very much. Enjoy the rest of eternity in paradise. Not many people truly deserve it as much as you do.

“ Ed, I am so glad that I met you. I want you to know how special you made me feel in such a short span of time and how much I wanted to be with you in life. I hope I made you as happy as you made me. I wish we could have spent a the rest of our lives together enjoying and experiencing that big world out there like you promised, because I was definitely ready to do that with you as we discussed that night. I will never understand why you were taken away from me so soon when we were starting to make so many plans together. I pray that you heard my voice at the end and that you knew how happy I was with you. I want you to know that no one ever made me feel the way that you did, I still can't believe the connection we had. I just wish we had had more time together so that I could have shown you how much love I had for you as well. I believed you when you said we were going to be together for a long time, you said you just knew. I want you to know that I knew too and could not wait to start that life together. I love you and I miss you so much it hurts. Please stay with me in life as I will always be with you. I will go to the White Mountains with Kim and Les, and I will dream of the nice time we would have had together. I love you so much for trying to surprise me with that trip. I only wish we could have done it together.

Love Always,
Ellen

“ Dear Donna and Josh-

*When somebody dies, a cloud turns into
an angel, and flies up to tell God
to put another flower on a pillow.
A bird gives the message back to
the world, and sings a silent prayer
that makes the rain cry.
People disappear, but they never really go away.
The spirits up there put the sun to bed,
wake up grass, and spin the earth in dizzy circles.
Sometimes you can see them dancing in a cloud
during the day time, when they are supposed to
be sleeping. They paint rainbows and also the sunsets
and make waves splash and tug at the tide.
They toss shooting stars and listen to wishes.
And when they sing wind songs, they whisper to us,
dont miss me too much.
The view is nice and I am doing just fine.*
