“ *I'll miss those afternoon sailing trips that I enjoyed so much with Ed over the past few years. We spent a lot of time together and always found something to talk about. He was like having Google on board. He might not have known much about today's high-tech gadgets (would never think of using email), but he seemed to know everything else there was to know.*

“ *My sympathy to the family. I have many good memories of playing tennis with Ed (mostly doubles, some singles) over many years at Seacoast Tennis. I always knew it would be a fun time on the courts with him. Wish the family the best. David Brown*
