

## Edwina Elaine Ahearn

October 19, 1949 - September 28, 2021

Hampton Falls – Edwina Elaine Ahearn, 71, of Hampton Falls, passed away peacefully on Tuesday, September 28, 2021 after a brief illness. Elaine was born in Gloucester, MA, on October 19, 1949, one of 7 children of the late Donald and Edwina (Lodge)Andrews. She met her late husband, David E. Ahearn in the early 1980's and they traveled the world together. They moved to the New Hampshire Seacoast in 1989 and purchased an antique house, built in 1783, in Hampton Falls. They named their home Pitlochry Farm, after a village in Scotland that meant so much to them.

Elaine had a thirst for knowledge and a love of politics, both national and local. She was a staunch Democrat and delighted in meeting many Presidential candidates, including President Biden. She opened her home, Pitlochry Farm, to strangers and friends who volunteered to canvas for Democratic candidates, as well as for candidates to speak to supporters. She served as a NH State Representative from 2012 to 2014. She was a strong and outspoken advocate for women's rights and gun control.

She was well versed in World War I & II history and was an avid reader on many topics. An Anglophile, she loved all things British and talked about her time in school in England with her aunt and uncle as a formative one for her. She was intelligent, a great conversationalist on a variety of topics, with a sharp mind, and a quick wit.

She was a talented interior decorator of her home and gardens and collected many unique antique pieces. A skilled cook and hostess, she was a gracious and gregarious host. An invitation to a soiree at Pitlochry Farm was to be envied.

Although she declared herself to be an atheist, the hope is that she and David will be together again.

Elaine leaves her children: AJ Morabito of Hampton, Matthew Morabito and his wife Mary Kenney of Freeport, ME, and Alisha Roberts and her husband Glenn Roberts of Hampton Falls. She also leaves her beloved grandchildren, Ruth and Woodrow Kenny, Justin and Joshua Roberts and Skye and Ava Morabito. She is also survived by her siblings: Derrick and Donald Andrews, Linda Sacco, Laura Ambrosino, Lisa Cummings and Lois Brodmerkle.

A graveside service will be held at 2:00 pm Saturday, October 9, 2021 in the Oak Lawn Cemetery, Nason Road, in Hampton Falls. In lieu of flowers, the family suggests memorial donations be made to The Hampton Falls Free Library, 7 Drinkwater Road, Hampton Falls, NH 03844.

“ *Elaine was one of the warmest, most determined and most welcoming people I've known. I knew (despite only being her tech for home and business IT needs) that I was welcome at her house any time - she often said so, "Come on in! Anytime honey! Make yourself at home." You will be missed Elaine. Loved you!*

“ *Elaine was my cousin and lived with my family for a year when we lived on England. During that time we often listened to music together. She had a great way of making people she was with feel good about themselves. She was fun to be around and I was terribly saddened to lose her so quickly as I was looking forward to spending more time with her in the coming years. She was also very special to my parents and our whole family, so her passing is one we share with heavy hearts but very fond memories.*

“ We've lost too much joy and wit and good humor and kindness this week.

*Elaine was a wonderful and generous friend to so many, but she touched the lives of strangers, too.*

*She worked tirelessly and at great personal political risk to support common sense gun safety legislation and to improve the social safety net for granite staterers in crisis.*

*But the coolest was the vigor with which she and David hosted and nurtured many, many Democratic campaign volunteers for months at a time and orchestrated lavish candidate fundraisers for national, state-wide and local candidates year after year in their home. Now what do we do ?*

*We love and miss you too much, Patty+Glenn+Tara+Anna McK*
