“ My deepest sympathies go to Eileen's family. I got to know Eileen through my Mother who was her good friend. Eileen was a beautiful person inside and out. She was a member of the greatest generation! She love her family and was very proud of each of them. She had a way of making people feel special and appreciated. Eileen had compassion for mankind and I never heard her complain. She had a wonderful sense of humor and kept up on current affairs. We often had conversations on politics. She was one in a million. Eileen was loved by many and we will miss her dearly.

“ I'll never forget Eileen and time I spent as her nurse at RWD. Eileen was one of the kindest people I've ever met and I'm grateful to have known her. Eileen always spoke so fondly of her family and her amazing support system. My thoughts are with you all. Sending you all the light and love.

*I lost contact with Eileen a while back and so regret this, especially after doing an online search when I couldn't reach her and sadly learned that she had passed away.*

*I loved John, Eileen and Joanie. Everyone loved them! They were good friends of my parents in Nanuet---they hadn't ever lost touch. Once, when my folks came for Thanksgiving in the early nineties, I was thrilled that John and Eileen wanted to join us in Decatur! (Atlanta area) I hadn't seen them in many years and it was so good to reconnect with them. They hadn't changed a bit! They were the same fun-loving, dearest people in the world! We had such a good time together.*

*To their son, Johnny.....if you happen to see this note, please feel free to get in touch with me. I presume I can leave my contact info after posting this message. If not, I am, Virginia (Ginny) Lester 30030*
