“ *My deepest condolences to the entire MacGlashing family on the loss of your dear mother. I've been recalling memories from my childhood. I remember Ricky riding me and Debbie on his bike downtown to Woolworths! You could sit at the counter. We would pop a balloon to get a 3 scoop sundae from free to 99cents and split it 3 ways. Ahhh! The good ole days. Smile. Hope all of you are healthy and happy. Love, Debbie [Majeskey] Cagney. ❤️*

“ *To Ellie's children: Sorry to learn of your mom's passing. Our thoughts and prayers are with you. I have fond memories of our days living on Cabot Road--your growing up years. Sledding down Cherry Hill, neighborhood cookouts, parties with the neighbors, your dad's boat. (smile). We thought those days would never end. Wishing you all well. Elaine and Jake Majeskey*

“ I pray the void you all must be feeling at this time is fleeting. Eleanor loved so deeply and was so loved. That void can only fill up with a love light that endures forever. It is easy to see where her children got their love of family and sense of fun. Seeing Eleanor would always bring a smile. I will treasure memories of comfortable moments, simply sitting and chatting about family and gazing out at all of the goings on and smiling. God Bless you Eleanor and God Bless your big, beautiful family. Love, Trece
