“ Dear David, Jim and Marlene,

I was so sorry to hear about Betty. My thoughts are with you all at this time. It was a pleasure to know her. Since the day I could talk I always called her Auntie Betty. Then I remember when I delivered the Hampton Union, she was my last delivery. Betty always give me a snack or some home made item and then shippme off so she could finis cooking dinner for Ashton. I enjoyed our talks on politics and life in general. My mom and her were great friends. For years they would have tea every day except on Sunday, My mom enjoyed having Betty as a good friend. We loved your mom and I we think of her often.
