“ I am so grateful to have met Betty as a volunteer at Portsmouth Hospital 12 years ago. I will miss her greatly. She was a tough woman with a gentle heart. She made me laugh so much, and I will miss the fun we had when I was back from Oklahoma and stayed with her. She pushed me to have more courage and to be more brave facing my "senior" years. She was a great influence on me (except her driving...) Betty loved her grandsons and their mother. Her face lit up whenever she talked about them. I am so sorry for your loss. We all have lost a very unique friend and loved one.

Beautifully said Karen. Betty was so loved by everyone she met at PRH. She was one of my favorite friends made at the hospital.
