“ Ellen was one of my favorite food service employees at the Marston School. She enjoyed feeding our students and took very good care of them. She also enjoyed telling me about the history of Hampton when I visited her during my lunch breaks. Ellen was a lovely lady and will be greatly missed by our school community.

“ I am saddened to hear of the loss of Ellen. She lived in the same neighborhood as my dad and brother. My brother is handicapped and cruises the area in his wheelchair. I know his smile brings joy to many people. I work in an area school and saw Ellen from time to time in the cafeteria. I always enjoyed our little chats. She was taken too soon. Rest in peace!
