

Eloise "Weez" A. Aucoin

July 4, 1958 - April 2, 2018

New Durham – Eloise Alice Aucoin, lovingly known as the "Weez," 59, of New Durham, passed away peacefully on Monday, April 2, 2018 at home with her beloved family at her bedside.

She was born in Exeter on July 4, 1958 to the late Muriel R. (Lamott) Hunt. Weez was raised in Hampton Beach and attended Winnacunnet High before relocating to Exeter where she finished her schooling. She married the love of her life, Richard A. Aucoin Sr. in 1978 and she and Richard settled in Epping to raise their family. She had worked for the former Kingston-Warren Corporation of Newfields for over 25 years and with the National Passport Center in Portsmouth for the last 10 years. She and Richard moved to New Durham in 2002.

To Weez, family was the most important part of her life and taking care of those she loved made her the happiest. She enjoyed camping, loved to dance and especially enjoyed fireworks on the beach at Sunrise Lake in Middleton every year on her July 4th birthday. Weez was always the life of the party and a true firecracker of a lady who loved making others laugh. She was also respected by her family and friends as being a strong-willed, straight shooting and tough woman when she had to be.

In addition to Richard A. Aucoin, Sr., her husband of 40 years, family

members include her son, Richard A. Aucoin, Jr. and his wife Sarah, her daughter, Lisa Rogers and her husband, Adam and her grandsons, Zack and Nick Aucoin and James Rogers, all of Middleton. She also leaves her siblings, Jim Hunt and wife Ginnie of Hampton, Michael Hunt and wife Carol of Berwick, ME, Bob Hunt and wife Julie of Plaistow, Tracey Daniels and husband, Michael of Merrimac, MA, Judy Towle and husband Joe of Farmington and Sue Doughty of East Kingston, her sister-in-laws Sandy Hunt of Houston, TX, Debbie Emond of Seabrook, Brother-In-Laws Ralph Aucoin of Strafford, Robert Aucoin of Seabrook, her aunt, Audrey Bouvard of Chicopee, MA, as well as many nieces, nephews, cousins and in-laws.

She was predeceased by her mother, Muriel Hunt, her brother G. Lee Hunt and her in-laws, Arthur and Grace Aucoin.

There will be a celebration of life to be held at 1 PM on Saturday, April 14th at 31 Greenough Road, Plaistow, NH. Private burial will be in the High Street Cemetery, Hampton. If desired in lieu of flowers memorial donations may be made to the Jimmy Fund, www.jimmyfundgiving.org.

LOVE YOU AND MISS YOU beyond words!*

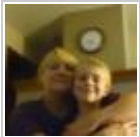

The kids had a great time trick or treating, however it was not the same without you! (and the bud light kept evaporating! weird, right? lol :)

Ricky's party was great, again not the same without you! You did win the costume contest though! :) Adam put together an awesome Budweezer King costume and I was the Queen Budweezer (However you will always be our queen Budweezer) Matt, Christina, Steve, and Amy dressed up as Budweezer bottles. It was Awesome and could not have been planned better if we had tried. Everyone misses you and sends their love. Especially dad.

Love you, Ma. I will see you again. Until then in my heart and mind is where I will keep you!

“ *Love You, Ma!*
Though I think of you and miss you every day, I find it odd, yet encouraging, that I have this undefined strength that keeps me going and keeps me unbelievably strong. I know that this strength is a gift from you, and I thank you today and every day for the strength you have given me to move forward. Until the day we meet again, in my heart, memories, and thoughts is where I will devotedly hold you! Love you to the moon, back again and beyond!!

“ My heart is broken. My deepest condolences to Rick, Lisa, and Rick, her grandsons, and all my cousins, family and friends. We were so close as kids and my very best childhood memories are at the beach, running with all of you. I can truly say Eloise was my first best friend. Cousins are simply the best and I cannot imagine my life without them.

Eloise, there are no words to express how special and unique she was. She'd always look you straight in the eye and her words came from the heart. She seemed to remember everything and made you feel genuinely cared about and loved. She was so much like her mother, she reminded me so much of Aunt Muriel. Family meant everything to Eloise, she loved you all so fiercely.

I'm so glad for Face Book, and it giving us a chance to reconnect. I loved seeing all your pictures and how close you all still are. I loved your pictures from Myrtle Beach, especially the pictures of Eloise and Rick at the wax museum - I can hear the laughter when I look at those pictures. I'm so glad we were able to make it back (10 years ago, yikes) for the family union at Bobby and Julie's and seeing everyone. No party will ever be the same without Eloise.

Heaven gained an angel with one very special smile and laugh. That is always what i think of first when I think of Eloise. I can't think of her without seeing a big smile on her face and hearing her laugh. Rest in peace, dear, dear, cousin, until we meet again. Love you.

“ Mom, I love you so much. Mere words can not express how much you mean to me. Ricky and I were so lucky to have you as our mom and all three boys were so blessed to have you as their Grammy. You were an amazing mom, grandmother, and mother-in-law. You were the most caring, warmest, toughest and strongest person I knew. You were always there when I needed you and always knew what to say and do to make everything better. I will miss your sense of humor, your laugh and your hugs. I have frequently been told "you are just like your mother" and I am so proud of that and I will try every day to be as strong and warm as you and I will try to be as great as a mom to my son as you were for us. I love you and I know I will see you again. For now, you need to be with your mom and someday I will be with my mom again.

“ Sad to hear of the passing of a childhood friend.
I have great memories of growing up as a 'beach kid'. The beach was our playground, and for 8 months of the year it was all ours. Where you were friends with entire families and the Hunt Family was certainly one of them.

I recall so many good times shared with Eloise: hanging in the arcades, first dances, first crushes, first cigarette, Studio Market, waiting in the laudromat for the school bus, the 'L' Street Dragons. We were so cool back in the day!

Thank you for the memories Eloise. Rest in Peace. My thoughts and prayers to the Hunt and Aucoin Family.

“ I am so sorry to hear of your loss. I met Eloise last summer at the Passport Center. She sat right in front of me and helped show me the ropes on how to do things. She was always most gracious when I asked her for help (thank you, Eloise!) and she cracked me up with her sense of humor.

She talked of her family often and certainly loved you all. We looked forward to her weekend camping trips and the time she could spend with family and friends. She will be missed by us all. Kind thoughts to everyone. You are in our hearts, and we are thinking good thoughts for all of you.

Take care, lulu pickering, NPC
