

Emile B. Chretien, V

January 23, 1952 - March 10, 2022

North Hampton, NH – Emile B. Chretien, V, 70, of North Hampton, passed away peacefully, Thursday, March 10, 2022 at Exeter Hospital with his wife by his side. He was born in Holyoke, MA, January 23, 1952 a son of the late and devoted loving parents, Emile B. and Dorothy (Peloquin) Chretien, IV. His mother and father both predeceased him in 2005.

Emile shared 28 years of marriage with his best friend and wife Dorita “D-Snow” Chretien. They were together many years as best friends before marriage.

Emile picked up his father’s trade as a technician and splicer and worked his way up to journeyman with the IEEW Union Local. He was the best in his trade for 35 years and retired from Verizon that was succeeded by Fairpoint.

He enjoyed his M3 BMW then the Corvette Stingray while listening to the tunes of the Doors rock band. He also enjoyed his Harley Davidsons and later his BMW K 100 motorcycle. He loved his trips to Bermuda where he married the love of his life on May 14, 1994. Emile would always say “Another Day in Paradise”. That was his daily saying. I know he is in ‘Paradise’. The best husband, man, friend.

In addition to his wife he leaves his stepson Jaymison Evans Snow of

Rochester with his daughter Zoey Justice Snow his only grandchild. He also leaves his sister Suzanne Chretien Carey and her partner Joe Jugenheimer of Feeding Hills, MA, niece Katie Carey and her husband Mike Wolk and their daughters Maya and “Joey” Josephine of Florence, MA, niece and godchild Becky Fagan and her husband Matt Fagan with their son James and daughter Juliette of Andover, MA, his cousin Walter “Butch” Batchelor and his partner Jeanne Archambault of Chicopee, MA..

And of course Emile’s little Yorkie, his baby boy Leonardo. Our dear Helen Flynn passed in August 2021 so we became her “Leonardo” parents. We were and I am so grateful to have “Leonardo Flynn Chretien”.

In addition to his parents he was predeceased by his sister Sheranne “Sandy” T. Chretien McCarthy formerly of Ellington, CT in 2014.

I wish to thank the wonderful Exeter Hospital ICU. They figured out what was wrong with Emile. Dr. Paul K. Deranian a pulmonologist with the best nurses Mark and Lauren and Kate right at my side through the worse day ever. Also pulmonologist Dr. Richard D. Hollister and Dr. John Brennan, nurses Brie, Liz, and Sarah. I am sorry if I forgot a few names. You all were the best. Thank you!

Private services will be held at the convenience of the family. Arrangements are by the Remick & Gendron Funeral Home-Crematory, Hampton.

“ *D. -- Just got back from Delaware and want to, again, express how terribly sorry I am. I believe that you, me, and Emile go back just about 30 years. Although I only see you guys once a year, you always welcome me with big hugs and delicious desserts. And this picture of Emile could not be more perfect. Leo was always on his lap "supervising" our interactions. Praying for you and Emile. I believe you have a new guardian Angel--Those we love don't go away, they walk beside us every day. Unseen, unheard, but always near, still loved, still missed, and very dear. Big hug, Noreen*

“ D~ Sending hugs to you from our home in Iowa. We have been thinking fondly about our 13 yrs living across the street from you and Emile. Some of the best times? Celebrating birthdays and eating lobsters on the deck on 4th of July together with you two and Bud & Bette. Always lots of laughter and Emile had the best laugh!! And I will never forget the day when our cat, Kipper, decided to jump onto Emile's lap - the look on his face was priceless! First time Kipper, at the age of 10yrs, decided he wanted to try a human lap for comfort - and he chose Emile's! Friendship is precious and we will always remember Emile as a great friend. Please accept our condolences and know that you are in our hearts and prayers D~. Much love, Rick and Pam

“ The best neighbor anyone could have! Emile did so many wonderful things to help me and so many others. My fondest memory ever is his finding my grandchildren's little boxer I was taking care of, when he escaped from my house. Emile got in his truck and drove around until he found him. Because of his kindness, my skittish little dog surprisingly just jumped in his truck, they picked up D and as they headed to my home, between those two loving people, I saw a pair of boxer ears sticking up. I cried with joy that any grandparent would ever have! God will give Emile the peace he deserves. Thank you Emile. I will never forget your many kindnesses.
