“ To Coach Steve Magri and son,

I'm sorry to hear of your family's loss. Although we never officially met, your dad and grandfather and I share a special brotherhood as Marines. The pride that all Marines share, can only be magnified by the pride one has for family. I'm sure your father (grandfather) was beaming with pride at your accomplishments as coaches. To go undefeated for an entire season is something to be proud of. And I can only imagine how he felt when his great granddaughter was born on the Marine Corps Birthday.

Sending my most sincere condolences to the entire Magri family.

Semper Fidelis,
