“ *I am sorry for the loss of your Mom. She was a very nice lady. Every time one of my family members would see her, she would let them know that she was an Eaton. Knowing that she was related to my Mom. May she rest in peace and your family rest in peace knowing that she earned her wings. Your family is in our prayers.

“ OK Em, you are still giving me trouble...guess I lit that "memorial candle" too soon. It gave me no chance to tell you how much you have meant to me. And how much I'm going to miss rocking in your swing with you. You and your family have been a big part of my life and I choose to think of all of us at "Sherman Boyd's" and the ruckus we could raise. I love you and will miss you to the end of my days.
